Re: **APPLICATION FOR PUBLIC HEARING**  
Proposed Additional Units  
Hosston Sand, Reservoir C  
Proposed HOSS RC SUH, HOSS RC SUI and HOSS RC SUJ  
Vixen Field  
Caldwell Parish, Louisiana

Dear Sir:

Application is hereby made on behalf of **SAMSON CONTOUR ENERGY E&P, LLC**, (Applicant), to the Commissioner of Conservation for a public hearing to consider evidence relative to the issuance of an Order pertaining to the following matters relating to the Hosston Sand, Reservoir C, Vixen Field, Caldwell Parish, Louisiana:

1. To establish three (3) additional 320 +/- acre drilling and production units for the exploration for and the production of gas and condensate for the Hosston Sand, Reservoir C, Vixen Field, Caldwell Parish, Louisiana, such units being designated HOSS RC SUH, HOSS RC SUI and HOSS RA SUJ, shown on the attached plat and being made a part hereof.
2. To force pool and integrate all separately owned tracts, mineral leases and other property property within each of the proposed units in accordance with Section 10, Title 30, of the Louisiana Revised Statutes of 1950, with each tract to share in the unit production on a surface acreage bases of participation.
3. To expand the definition for the Hosston Sand, Reservoir C, **FOR AND ONLY FOR THE**, existing HOSS RC SUB and the proposed HOSS RC SUH, HOSS RC SUI and HOSS RC SUJ as the gas and condensate productive interval encountered between the depths of 9,900 feet to 10,650 feet in the Samson Contour Energy E&P, LLC – Devon Donner 31 No. 1 Well, located in Section 31, Township 15 North, Range 3 East, Caldwell Parish, Louisiana.
4. To designate Samson Contour Energy E&P LLC the unit operator for the proposed HOSS RC SUH and their Devon Donner 31 No. 1 Well as the unit well.

Hon. James H. Welsh  
Vixen Field  
2

5. To extend the provisions of the 139-N Series of Office of Conservation Orders and other applicable statewide orders to the proposed Hosston Sand, Reservoir C units being proposed herein, except as it may be in conflict herewith.
6. To consider and cover such other matters as the Commissioner of Conservation may deem pertinent and appropriate.

The Hosston Zone, Reservoir C was defined in Office of Conservation Order No. 139-N, effective December 9, 1982.

A pre-application conference was held on February 4, 2005, and the parties attending the conference is attached. After presenting the proposed units and data to support the units, no party attending the conference expressed any objections to the proposed application, however, they did reserve their rights to file a counter plan.

The pertinent data pertaining to this application is available for inspection at the Offices of Tip Bryan, Senior Geologist, Samson Contour Energy E&P, LLC, Two West Second Street, Tulsa, Oklahoma 74103. Any person wishing to inspect such data should call Tip Byran at 918-591-1836 during normal business hours in order to arrange a date and time for such inspection. A copy of any such pertinent data that is otherwise not available from the Office of Conservation can be obtained **at the expense of the requesting party**.

Pursuant to the revised Rules of Procedure, Applicant has made a reasonable effort to obtain the names and addresses of all Interested Owners, Interested Parties and Represented Parties to whom this notice of this application is being sent. A copy of this letter and the attached plat is being sent to the District Manager of the Shreveport District Office of Conservation and to the Interested Owners, Represented Parties and the Interested Parties as shown on the attached list.

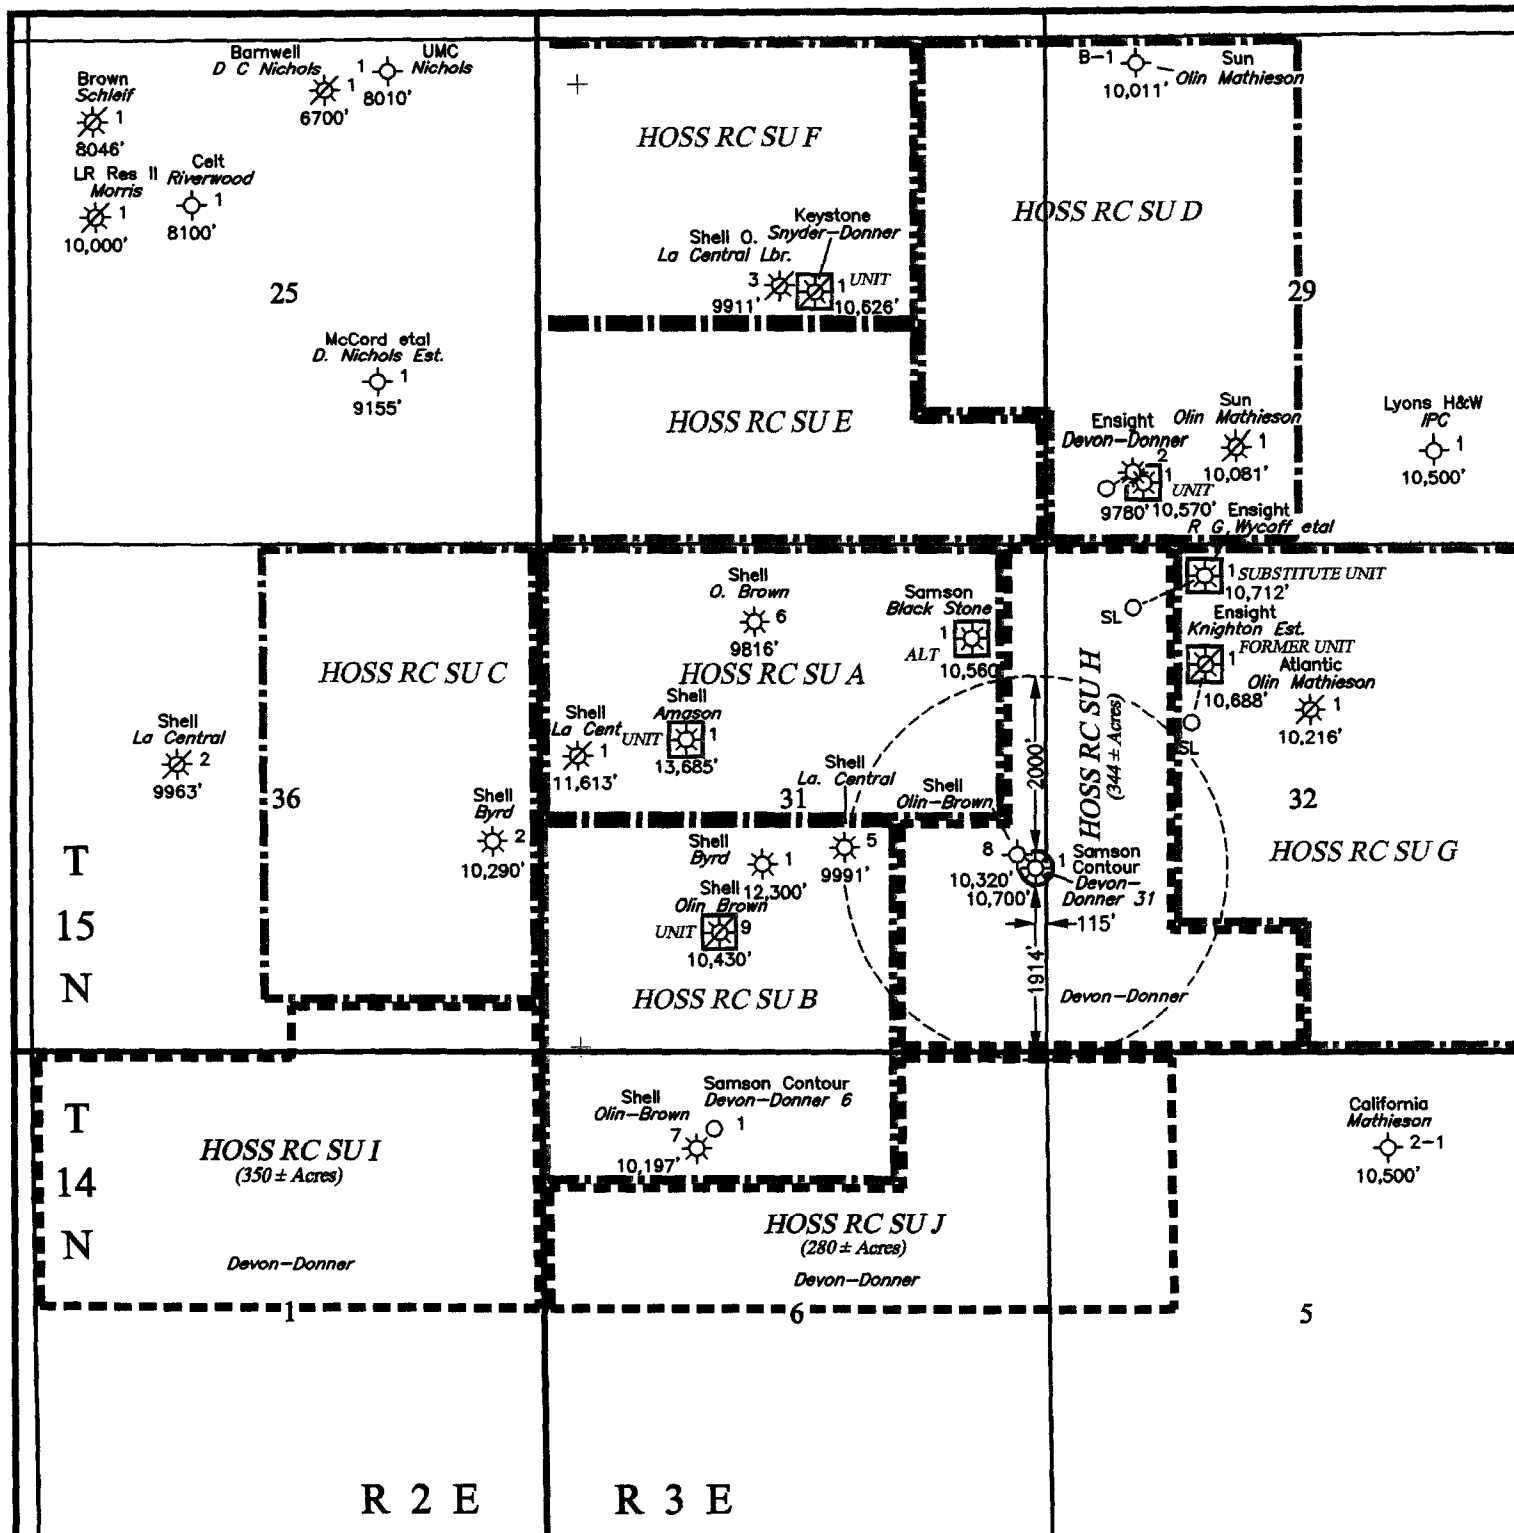

Attached hereto is our check, made payable to the Office of Conservation, to cover the applicable hearing fee.

Yours truly,

B. F. Anderson, PE for
